Prestigious international sports competitions are increasingly frequently used as opportunities for business cooperation. For this reason the Slovenia Centre will also host a number of business and social events that will serve to establish contacts between businesses from Poland and Slovenia and also from other countries.

It is our pleasure to invite you to the event **"Investment Opportunities Day"**, at **10.00 a.m. on Wednesday, 20 January 2016 in the Club Room of the Hotel Monopol, Wroclaw.** The event will include a presentation of the Warsaw Stock Exchange, examples of good practice on the Warsaw Stock Exchange and investment opportunities in Slovenia and Poland. The event will be attended by senior representatives of the Republic of Slovenia and the Warsaw Stock Exchange, leading figures from the business enterprise sector in Slovenia and Poland and numerous representatives of companies with which the Warsaw Stock Exchange maintains cooperation (mainly from Germany).
